The offer of Morgan Advanced Ceramics Inc. ("Buyer") to purchase the goods and/or services (collectively "Work") described in this purchase order is expressly conditioned upon Seller's acceptance of the terms and conditions set forth herein, which shall constitute the sole terms and conditions for such purchase. Buyer rejects all contrary or additional terms and conditions of Seller contained in any acceptance or sales acknowledgement unless expressly agreed to in writing by Buyer. Seller shall be deemed to have accepted the terms and conditions contained herein upon the earlier of (i) Seller's failure to notify Buyer of Seller's rejection of these terms and conditions within ten (10) days of Seller's receipt thereof or (ii) Buyer's receipt of any goods and/or services delivered hereunder. These terms and conditions are incorporated and made a part of the purchase order to which they are attached or in which they are incorporated by reference.

Except as otherwise agreed in a written contract in effect between Buyer and Seller for the purchase and sale of the goods and/or services described herein the following terms and conditions apply:

1. General Conditions. Seller shall furnish all services, labor, materials, equipment, tools and everything necessary to undertake and complete all the Work contemplated by the drawings, plans, specifications, addenda and other communications provided and as described on the purchase order.

If no price is stipulated herein, the Work shall be charged at prices not exceeding those last previously quoted or charged to Buyer for Work of like kind or quality; provided, however, if Seller shall offer a lower price for the Work to any of its customers ordering the same or lesser quantity thereof prior to receipt by Seller of payment for the Work hereunder, the price of the Work shall be reduced to such lower price and if Seller receives payment hereunder it will promptly refund to Buyer the difference between the price contained in this purchase order and such lower price. Unless otherwise stated on the applicable purchase order, the price shall be inclusive of any applicable taxes, charges for packaging, shipping, carriage, insurance or delivery of the Work to the point of delivery, duties, imposts or levies of any kind. No increase in price may be made, without the prior written consent of Buyer.

3. Taxes. Seller shall be responsible for the payment of the amount of all taxes, excises and other governmental charges (including taxes on or measured by net income) required to be paid with respect to the production, sale or transportation of any goods manufactured for or delivered to Buyer hereunder, except as may otherwise be provided by law.

4. Payment. Payment terms, unless otherwise specified in this purchase order, are net 60 days after the date of Seller's invoice. Seller may only invoice Buyer for Work on or after the date that such Work is performed or delivered to Buyer in accordance with the terms hereof. Payment for Work performed or delivered under the purchase order shall not constitute an acceptance thereof.

5. Delivery. Time is of the essence. Delivery of all goods purchased by Buyer shall comply with shipping instructions supplied by Buyer and the goods shall be packed for shipment in manner suitable for the method of shipment specified in such instructions. If any goods are not delivered within the time specified in this purchase order, or within a reasonable time if no time is specified, Buyer may either (i) refuse to accept such goods and terminate this purchase order, or (ii) cause Seller to ship the goods by the most expeditious means of transportation, whereupon any additional transportation charges in excess of those which would apply for the usual means of transportation shall be for the account of Seller.

6. Representations by Seller. Seller represents and warrants to Buyer that (i) it holds all right, title and interest in and to the goods and has the right and authority to sell the goods to Buyer and (ii) all right, title and interest in and to the goods shall pass to Buyer upon delivery to, and acceptance thereof by, Buyer in accordance with the terms hereof.

In the event of any inconsistency among the foregoing, the description given in this purchase order shall control Seller's warranty. Buyer's inspection and/or acceptance of and/or payment for goods and/or services shall not constitute a waiver by it of any warranties.

8. Breach of Warranty for Goods. If Buyer shall determine that any goods do not conform to the warranty set forth herein it shall notify Seller thereof and Buyer may, in its sole discretion, return to Seller either the specific non-conforming goods or the entire shipment of which the non-conforming goods were a part whereupon, in addition to any other remedies Buyer may have at law or in equity, Seller shall, at Buyer's option (i) replace such non-conforming goods or shipment of goods with goods or shipment of goods which conform to the warranty hereof, or (ii) refund to Buyer the purchase price and shipping charges therefor. All shipments and deliveries of non-conforming goods by Buyer shall be at the expense of Seller and, if paid by Buyer, Seller agrees to reimburse Buyer upon demand therefor.

Seller warrants that all services shall conform to the terms of this purchase order, shall be performed in a good and workmanlike manner, and shall be free of all defects in the materials and workmanship until the expiration of one (1) year after completion of the Work, as evidenced by final payment of Buyer to Seller. Upon receiving written notice from Buyer, Seller shall promptly make such repairs and replacements as are necessary to correct any failure to meet any warranty hereunder, at Seller's sole expense. In the event Seller does not correct such failure within a reasonable time, Buyer shall have the right to have such corrections made and Seller shall pay Buyer the costs thereof, promptly after receipt of an invoice. Neither acceptance of or payments for the Work or any parts thereof, nor the partial or entire use of the Work by Buyer shall release Seller from liability for any warranties for equipment installed or for workmanship which is faulty, unsound, improper or not in accordance with this purchase order.
